

CARS: A National “At Cost” Cooperative for Independent Collision Repair Shops
Serving Independent Collision Repair Facilities Since 1992

CARS is a national stock-based cooperative created **by and for independent body shops**, offering a collective way to access:

- **Rewards**
- **Discounts**
- **CARS Exclusive Pricing**
- **Professional Development Opportunities**

See All

Through shared buying power and direct vendor connections, CARS helps ensure long-term success for its members.

Connections That Matter

CARS connects members to:

- **Independent Shop Owners** – Collaborate and benefit from real buying power.
 - **Vendors and Service Providers** – Access partners with a vested interest in mutual success.
 - **Industry Trends and Issues** – Stay informed through participation in national events and organizations.
-

Options and Opportunities

Membership opens the door to:

- Group-rate or discounted access to **products, services, and industry resources**.
 - **Cash rewards** for qualifying purchases – direct to your shop, quarterly.
 - The flexibility to **choose your level of participation** while preserving your independence.
-

Membership Benefits

✓ Member Program Savings

- You decide your level of participation.
- Choose from various discount and reward options.

✓ Quarterly Reward Checks

- Earn cashback on eligible “Net” purchases.
- Paid directly to your shop each quarter.

✓ Industry Connection

- Join like-minded professionals with a vision for mutual growth.
- Stay informed and involved in shaping the industry’s future.

✓ Jobber Support Network

- CARS-affiliated jobbers offer added-value services and support.
 - Assistance with reporting for qualifying brands like **AkzoNobel, Saint-Gobain, American Brand Tape, and DeVilbiss.**
-

How to Join

CARS Classic Membership

- One-time purchase of **1 share of Class A stock (\$500).**

CARS Connection PLUS Membership

- Become a Member in Good Standing through one of our **Alliance Associations.**
-

Why Choose CARS?

- **No catch or gimmick.** CARS is built by shop owners, for shop operations.
 - **Complete control.** Participate as much—or as little—as you choose.
 - **No interference with current jobber discounts.**
 - **CASHBACK Rewards** are based on net purchases and **paid directly to members quarterly.**
